2019 Summer Art Program Scholarship Application

The Wallkill River School is a 501(c)(3) Nonprofit located in the historic Patchett House in Montgomery, NY. We offer summer art programs which run 2 hours a day, 5 days a week which gives students a fun and immersive experience and time to develop their skills and knowledge. Classes range from 4-year-old finger-painting to adult plein air (outdoor painting). Come be inspired!

Each scholarship is a one-week session of any summer art program of the child's choice. Scholarships are one-time only, and for one week. Past awardees are not guaranteed to receive new scholarships. We give first consideration to children who are enrolled in subsidized school lunch programs such as Back Pack Snack Attack so please provide supporting documents if you wish to be considered first.

Please be aware that we fundraised by donating our own paintings and selling tickets to the public for a raffle to raise money to offer these scholarships. We do not get grants or large donations; we work for these funds and could use them for other projects. We deeply believe in your child, and want them to have this opportunity now, so that they will grow up and be the next generation of artists that run our nonprofit.

This portion must be filled out by the child or dictated to the parents
